

2013 NORTHERN ILLINOIS WINTER JACK RABBIT

The Northern Illinois Winter Jack Rabbit Program has been going on for over 30 years. The participating clubs compete for a traveling trophy. This trophy is presented to the club that wins the most Sunday shoots. Each participating club hosts two Program events at their club. The team score is determined by taking the five highest club member's scores shot on that day. The highest team total wins that Sunday.

Participating clubs in 2013 are: Downers Grove Sportsmen's Club, Maywood Sportsmen's Club, McHenry Sportsmen's Club, St. Charles Sportsmen's Club and Sycamore Sportsmen's Club.

Shooters must be a member of the club they are shooting for and can only shoot for ONE CLUB PER YEAR.

JACK RABBIT PROGRAM FORMAT

50 targets are shot at each Program Event – 25 Singles and 25 Handicap (yardage based on Singles Score between 20 and 25 yards). The hosting club will squad shooters and act as Event judges. If there are weather problems, the weekly hosting club will make a decision regarding the shoot.

Cancelled shoots will not be made up. The Jack Rabbit web site (www.winterjackrabbit.com) will provide a display feature if a shoot is cancelled due to weather.

Cost for the Program each week is \$25.00. This is distributed as follows: \$10.00 to the hosting club; \$7.00 to the Daily Lewis; \$5.00 to the Team Lewis; \$1.00 for High Gun; and \$2.00 for the Carryover Fund.

The event starts at 10:00 AM. Entries close at 12:00 PM. The hosting club will be open between 9:00 and 9:30 AM to allow for sign-up and practice. Jack Rabbit participants are allowed to shoot trap at the host club's member rates on the day the Jack Rabbit.

There is a host club buy-in of \$25.00 for each club payable on the first day the club hosts the Jack Rabbit. This money is added to the Carryover/50 Straight Fund.

DAILY LEWIS

Every entrant will play the Daily Lewis (*no exceptions*). This money will be paid out using a standard Lewis calculation for 4 or 5 classes – One Money/Ties Divide. 40 or fewer shooters will use 4 classes. 41 or more shooters will use 5 classes.

TEAM PURSE

Every entrant will play the Team Purse. A club must have 5 shooters to qualify for the Team Purse. This money will be paid out to the top three winning teams on a 50%/30%/20% basis (Ties Divide). Team score is determined by the total of the five highest scores for that club. The money should be placed in an envelope with the winning team name and a list of the team shooters with the five highest scores and ties. (Let the teams decide who gets paid.)
