3 WAYS TO WIN A HAM

High Gun Round

The shooter who hits the most targets wins the ham. Ties will go into extra shooting at further distances until someone misses their target. 10 targets per round (2 per station). 16 yard, handicap, or wobble -- you pick it!

White Bird Round

The shooter who hits the most "white" targets wins the ham. All "white" birds presented participate in the white bird count. Ties will go into extra shooting in High Gun format at further distances until someone misses their target. 10 targets per round (2 per station). 16 yard, handicap, or wobble.

By A Chance – Pig Target

You can purchase a circle on our pig target for \$1.00 each. When the sheet is full, we'll bring it to the target field and have an inexperienced shooter fire a round and the circle that has the most pellets in it wins the ham.

Prizes

We do not shoot real pigs. Fresh hams are awarded as prizes. If you win a ham, you will be given a coupon. You may win as many hams as you are able.

All coupons **must** be redeemed for hams on the day they are won. We do not have any way to store the hams. Coupons cannot be carried over into future events.

DRAWING FOR OUR GUN RAFFLE WILL TAKE PLACE ON APRIL 13th, 2014 AT 3:00 P.M.
